CALL FOR PRESENTATIONS

The California Association for Behavior Analysis invites all persons engaged in research, training and/or the practices of behavior analysis to submit proposals for presentations at the Twenty-Second Western Regional Conference at the San Francisco Marriott Airport California, February 19, 20, 21, 2004. Applied, experimental, and theoretical analyses are desired, including program descriptions, case studies, and technical presentations. Commentaries and review on legal, ethical, social, philosophical or historical perspectives are also welcome as are significant works in fields of behavioral medicine, pharmacology, physiology, and biology, in addition to psychology and education.

ATTENTION STUDENTS!

Call for submissions for the Cal-ABA Julie Vargas Award

Deadline: December 1, 2003

The Julie Vargas Award was created by Dr. Julie Vargas of West Virginia University to promote research by students in the field of Behavior Analysis. This competitive award of \$250 is presented to a student for conducting original research in Behavior Analysis. All current student members of Cal-ABA are eligible. An abstract of the research will be printed in the Cal-ABA Newsletter.

To apply, mail a 100-word abstract with relevant figures and a vita by December 1, 2003 to:

PRESENTATION FORMATS

SYMPOSIA

Symposia are a series of addresses and discussions organized around an empirical, conceptual, historical, or methodological theme. A discussant delivers remarks intended to highlight and integrate the contributions of the various speakers. A symposium is organized and submitted by a chairperson who moderates the session. Symposia are 50 minutes or 1 hour & 50 minutes in duration.

WORKSHOPS

A workshop is an intensive educational session presented by an individual or team of persons to an audience for a three to six hour period. The audience is expected to gain skills or knowledge that can be applied upon return to research or service sites. This is accomplished by extensive audience involvement and participation to maximize individual attention. Your proposal should indicate the knowledge level necessary for participants (i.e., Introductory, Intermediate or Advanced). It is assumed that workshop presenters will compose appropriate handouts to reduce note-taking requirements and encourage subsequent application of skills. Cal-ABA will duplicate a reasonable quantity of handouts for all workshops when given sufficient notification.

PAPERS

Paper sessions are individual oral presentations, usually concerned with conceptual, historical, or methodological issues. Paper presentations may report empirical research if it is too complex for effective presentation in a poster (e.g. an integrated series of experiments). All addresses should be 25 minutes in duration. The Program Committee will organize several related addresses into sessions of 50 minutes. The Program Committee reserves the right to assign any author of a paper address organized in a symposium as a chair of the symposium.

ADDRESSES

Addresses are individual oral presentations, usually concerned with conceptual, historical, applied, or methodological issues. All addresses should be 50 minutes.

POSTER SESSIONS

Posters consist of physical displays of information, usually reporting empirical research. Each presenter will be required to provide his/her own easel on which to display the poster. The poster is a visual representation by an individual or team of persons and consists primarily of data-oriented information. Presenters will have 15 minutes prior to the session to set up the poster and arrange materials. At the end of the session, all materials must be removed within 15 minutes.

All submissions must be received by 5 PM, October 31, 2003 to be considered for the Cal-ABA 2004 Annual Conference.

**You can also submit online
www.calaba.org**

Due to budget constraints, Cal-ABA can only offer the use of the A.V. equipment listed on the attached forms. Any additional A.V. equipment will need to be secured by the presenter.

WORKSHOP SUBMISSION FORM

You can also submit online www.calaba.org

Appropriate workshops are submitted for Continuing Education Credit for various licensed and credentialed professionals such as BCBAs, BCABAs Psychologists, MFTs, Speech and Language Pathologists and Licensed Clinical Social Workers. The primary workshop instructor must provide a current vita, workshop description, and a sample quiz along with the workshop submission form. **Workshops will NOT be accepted without an accompanying vita, description, and sample quiz.** The description should be no more than 300 words and include the topic, training objectives, activities of participants and target audience. The quiz should be a short objective test that participants must complete in order to receive continuing education credit. Workshop titles and descriptions will be printed in the program booklet. Cal-ABA reserves the right to edit titles and descriptions. Participants are charged tuition and materials fee. In addition, you must provide to Cal-ABA any handouts to be duplicated for participants. Duplication of materials received after December 1, 2003 will be the sole responsibility of the workshop presenter.
